

Did He Say He Was on Final ???

Safe aircraft operations at non-towered airports. Topics of discussions will include regulations, recommended operating procedures, radio communication procedures, traffic patterns, pattern altitudes, interaction with other types of aircraft (gliders, helicopters, etc.) Please register on-line as seating is limited to 30.

Directions: Please see map, Lehigh Valley Flying Club Parking lot is across from ALEDco Inc, Gate 16. (You must be escorted by a badged club member through gate 16 to Hangar 5) Additional parking also available in the Verizon lot across the street.

A message from the National FAASTeam Manager

The new WINGS—Pilot Proficiency Program is great! Check it out now!

Sign up for the FAA's safety services at www.FAASafety.gov!
